

## Cruise to Lunch

Enjoy your day with lunch at the iconic Breakfast Creek Hotel built in 1889. Have a wander around after ordering your food and look at some of the old photos and stories. Exclusive to our guests, join in on the traditional 'spiking of the keg' at 11:45 AM and be treated to a sample of beer off the wood before savoring a delicious meal.

- 1.** We drop you off at the Newstead Public Pontoon at 11.15 AM. After leaving the jetty, turn right and follow the path along the waters edge, under the bridge
- 2.** Make your way up the stairs and across the bridge
- 3.** You have arrived! Check in with staff and order your food from the menu on the back of this sheet

Be back at the Newstead Pontoon by 1:15 PM to board Neptune for a final ride up the river, please be punctual as the boat cannot wait.

### DO NOT WAIT ON THE JETTY

As the boat may bump against the pontoon and cause it to move. Be mindful of other passengers disembarking the vessel.
