SOUTH BANK COMBO

INFORMATION SHEET

Thank you for joining us on the MV Neptune for our Southbank Combo package w/ The Plough Inn and the Brisbane Wheel.

The Plough Inn was established in 1864 and has used the same name ever since. It has had many renovations over the years however the façade is a rare surviving memory of this busy area from the 19th Century.

Whilst more modern The Brisbane Wheel is now a recognized city landmark. Rising 60m above the ground it offers amazing 360 deg views of the surrounds.

1. Board the boat for your 90 min scenic cruise downstream past the city, whilst enjoying the informative and entertaining commentary and our complimentary morning tea. We will be stopping at the Newstead Jetty to drop off our 'Cruise to Lunch' guests. Please, **STAY ONBOARD**. After those guests disembark, we will then make our way back upstream. You will arrive back at the Cultural Centre Public Pontoon, at Southbank.

2. Before or after your lunch, enjoy a ride on The Wheel. This voucher must be used today.

3. Once you disembark from the MV Neptune make your way to the Plough Inn. Please use google maps to find The Plough Inn. Please check in first, to get your booked table. Go up to the Bistro first, to order your lunch and drink and redeem your voucher. The Plough Inn team will put through your drink at the bistro for collection at the bar. Your drink includes: a glass of house red or white, pot of local beer or a soft drink or juice. Your lunch booking has been made for 12.30pm. This voucher must be used today.
